Subject: E5 Comments

Chris, upon my initial review and after speaking with Colin today, I doubt I will submit any comments. Colin was able to help get the confusion straightened out on the fee payment address and is following up on a couple of questions for me.

I appreciate your help and attentiveness to all things E5 and C1/C3. It has been quite a road but we are almost at the finish line!

I will let you know if anything changes.

Thanks,
